Terms and Conditions

1. Kindly complete only one form for one applicant, any duplicate application will not be entertained and only the 'earliest' applied registration form will be processed unless notified by the applicant.
2. Registration by mail should be accompanied with a SGD\$200.00, non-refundable deposit and all registrations by mail should be addressed to '**195A Goldhill Centre Thomson Road Singapore (307634)**'. All Cheques are to be crossed and made payable to '**Maths Heuristics Pte Ltd**' with the child(s) name, selected program(s) and contact details of Parents on the reverse side of the payment cheque.
3. Any and all submission of registration by mail or otherwise does not immediately assure by way of a guarantee a placement in the selected module. Maths Heuristics Pte Ltd will only confirm and accept payment should there be an available vacancy and further in lieu of the clearance of the cheque(s) accept the student/s into the selected program, modules provided that the submission comes in prior to the start of the selected module(s).
4. Maths Heuristics Pte Ltd reserves all rights should the need arise to decline any submission of application, by any medium *in person applications, electronic applications, mail applications* within two (2) weeks of the application(s) and/or to discontinue a student/applicant's child from the course module(s) within three (3) weeks or three (3) lessons whichever is earlier accompanied by a pro-rated refund of the un-attended portion of the module fees should the module trainer ascertain that the student/applicant's child is not suitable for the program.
5. Maths Heuristics Pte Ltd does not hold nor have in its premises the ability to handle children with special care/needs and cannot accommodate children with special needs within a full class setting; as such Maths Heuristics hereby reserves all rights without any discrimination to refuse a student/applicant's child who may hold the need for special care or attention.
6. Module Participants that fall ill and who are absent from class can enjoy up to two (2) free replacement classes at no cost at a time that shall be decided by the trainer in order to bring the student up to pace with the course modules the student/applicant's child may have missed. Due to the constraints of time any and all further requests will only be entertained on a case by case basis, with no guarantees placed by Maths Heuristics Pte Ltd.
7. All reasonable due care and diligence will be placed and exercised during the course of the lesson towards the student/applicant's child. Maths Heuristics Pte Ltd shall not be made liable for any unforeseen injuries, complications and accidents for the duration of the course module/program.
8. Maths Heuristics Pte Ltd reserves all rights to terminate the enrolment of any student/applicant's child should the child upon repeated requests by the appointed trainer refuses to behave himself/herself and has proven repeatedly to be disruptive to the class/lesson/module.
9. Maths Heuristics Pte Ltd shall be duly notified within two (2) weeks of any and all changes in the particulars and information of the student/applying parent.
10. Maths Heuristics Pte Ltd hereby reserves all rights to amend these terms and conditions without prior notice and all following applications shall be bound by the amended terms and conditions as shall be undersigned by them.

I have read and agree to the terms and conditions stated above.

I certify that the details are, to the best of my knowledge, true and correct.
